“What Does God Treasure?”

This Object Lesson can be used one-on-one with a child or an adult, or used as a prop to preach an Open Air Message.

A suggested presentation:

1. Introduce yourself. Ask for a few moments of their time please.
2. Show the treasure box, and explain that it gets us to think about what we treasure.
 - A child might treasure a video game or toy.
 - An adult might treasure health and family.
3. These are good, but I brought this treasure box in to ask the question, “what does God treasure?”
 - Open it up and ask what is inside. Show them the mirror. If no one answers right away, then tell them there’s a mirror.
 - Explain that God treasures people. All people. John 3:16. Revelation 7:9.
4. The way you can tell how much someone treasures something is by how much they’re willing to pay.
 - How much did God pay for us?
 - The ultimate price. He paid with the blood of His Son, Jesus Christ!
5. Why did Jesus have to die?
6. We have all sinned.
 - Go through 3 or 4 of the Ten Commandments and ask the crowd to listen to their conscience and see if they’ve broken any of these.
 - Breaking God’s Law is called “sin” and we’re all guilty.
 - If we break God’s Law just 3 times a day, at the end of one year, we would have broken God’s Law over 1,100 times!
7. What must a good judge do with a criminal who is a repeat offender 1,100 times?
 - What must God do to us?
8. That’s why Jesus died on the cross and rose from the dead!
 - He did this to pay the fine we owe to God, but could never pay ourselves.
 - God demonstrates that He treasures people because He’s willing to rescue and adopt into His family those who Repent and Believe (or Turn and Trust)
9. Ask them to consider this and to read a Bible.
 - Offer follow-up literature, gospel tracts, etc.
 - Ask for contact information.
