## BIG NEWS: We're Starting a NEW OAC Branch in New Hampshire!!!

- ✝ OAC put Mark in charge of **pioneering and directing a Brand-New Branch** in NH.
- ✝ New Hampshire is a fantastic location to reach the Lost because **so many people are moving here from other states and other parts of the world!**

### What Will We Be Doing? The same we did before, but "more."

**MORE Reaching out to the Lost** wherever they gather to share Christ with love, compassion, and urgency!

**MORE Partnering with Churches to train Christians in effective Evangelism**, and bring them with us to put their new skills into practice!

**MORE Evening Beach Evangelism** that's been so fruitful over the years.

**MORE Bible Clubs intended to reach unchurched kids** in schools, neighborhoods, churches, wherever God opens doors.

**MORE Subway Evangelism in Boston.** We're still actively sharing Jesus in the Boston Subways, and we don't intend to stop. **The whole world comes down to the subways.** What a mission field!

**MORE serving Churches by evangelizing at their events.** Whether it be delivering a Sunday-morning Sermon, preaching a chapel service for students, teaching Sunday School for any age group, participating in AWANA, VBS, or **any other way we can be of support, we're here to build up and equip the Church!**

**MORE trusting Jesus** to direct us to where He wants us to go!

### We Need Your Help...

- ✝ There are **startup expenses with any new Ministry**, just like there are startup costs for a new business.
- ✝ We've already taken money from our salary to pay for office equipment & supplies.
- ✝ **Our largest expense is for a Ministry Van.**
- ✝ **This van will be vital to bring teams of Christians out to where the unsaved are.**
- ✝ **It's so effective** when Christians are **trained in Evangelism**, and then go out and **actually experience it.** It makes them much more likely to personally share Jesus with friends and strangers as a lifestyle!
- ✝ **Building up the Church for Evangelism is a big part of the ministry of the NH Open Air Campaigners Office. A van will allow us to do this! We need your help.**

The OAC Van brings Christians and equipment to where the unsaved are.

### Would you please help get us started in NH with a one-time donation?

This van is a valuable investment for **10 or more years of Effective Evangelism Ministry!**

**Please Note:** For the purpose of simplifying the tax ramifications of these expenses, donations for the van and NH branch are being handled by our Local Church, and not through OAC.

**100% of donations will go towards the Ministry Van and supplies. None will be kept back for administrative costs. All donations are 100% tax-deductible.**

**To give by check:** Please make check out to "Calvary Bible Church" with a note in the "memo" section that says "OAC NH Branch Fund." **Please mail check to:** Calvary Bible Church, c/o OAC NH Branch Fund, 145 Hampstead Rd, Derry, NH 03038.

**To give online:** Please go to <http://Luke-15.org/new-oac-branch/#donate> and follow instructions there.

**Please Note:** To protect your privacy, we won't be told who has given to this fund. So **sadly we won't be able to personally thank you** for any donations you give to get us started in New Hampshire. You will, however, get a receipt from our church.

We made a short video that explains what is happening. **Would you please take five minutes to watch this video?** You can find it at: <http://update.Luke-15.org>

New Hampshire is strategic for Evangelism because of **large populated cities, all situated closely together, and each with its own unique demographics.**

**Manchester** is filled with busy streets, a large stadium, lots of schools, commuters, students, housing developments, and so much more!

**Portsmouth** is a large tourist attraction, with rich history, industry, culture, and lots of opportunities for outreach.

**Concord**, the State Capital, also attracts tourists with its history, politics, large population, and many businesses.

**Nashua**, so close to the Massachusetts border, is a large city, densely populated, and with so much potential for outreach.

**Hampton Beach** has been a gem of an evangelism spot for years, and I greatly look forward to spending even more time sharing Jesus with the people who come from all over to enjoy the beach, concerts, and fireworks.

We're excited, (and a bit scared) of running this new branch of Open Air Campaigners. But we believe in faith that God will lead us and get all the glory!

**Thank you so much for your prayers, financial support, and notes of encouragement, without which we would not be able to reach the Lost for Jesus Christ!**

**Thank you for prayerfully considering donating to get the NH OAC Branch started! (Details on how to give are on the other side of this newsletter.)**

We go out to bring the gospel of Jesus Christ to where the people are because **people matter to God!**

We thank God for you! With love in Christ,  
*Mark, Shelby, Vivienne, Juliana, Caleb & Gabriella*
