We're sending this newsletter to highlight how God has been working through **Abortion Ministry** recently! There are more details about the many other things God has been doing lately at <https://www.facebook.com/SohmerFamily/> or at <http://Luke-15.org/blog/>. Jesus is still seeking and saving the Lost, and that's very exciting!

Every Friday a small team has begun ministering outside an abortion clinic in our State Capital, and it's the most intense **Spiritual Warfare** we've ever experienced.

Dahlia, the woman who runs the clinic, has **called the Police on our team and BLATANTLY LIED to the Police about us three different times.**

(In the Photo, a Policeman, the City Code Enforcer, Dahlia, Mark, and Amanda, one of our Volunteers.)

The lies got so ridiculous that we told Dahlia that we're getting a body camera to prove to the Police that she's lying about us. Ever since we got the camera, she stopped calling the Police.

Let me ask you this: **if the people killing babies for profit will outright lie to the Police, is it a stretch to think that they will lie to scared and overwhelmed young pregnant girls?**

I want to be clear: Dahlia is not our enemy. She's deceived and is being used by the devil to do evil. "For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places" (Ephesians 6:12).

Please be in prayer for us as we continue to go there to lovingly share the TRUTH about abortion and the TRUTH about the gospel.

Abortion Ministry isn't just about reaching Moms and Dads. We're also trying to reach the people who happen to walk by.

Like **Cameron** here. He recently began attending a Mormon church. Mark asked him if he knew all their teachings, like that there are many gods, that our god was once a human, and that humans can become a god someday. Cameron didn't know this.

Mark showed him these doctrines from Mormon "scriptures," & the correct teaching from God's Word.

Personal Updates: Mark had unexpected surgery that had him out-of-comission for about a week. The Doctors want to operate a second time. **Shelby** recently attended a Mission Trip to Philly with **Juliana** and her school! **Vivienne** finished Word of Life Bible Institute! **Caleb** enjoys taking care of his chickens. **Gabriella** has been busy with 4H, Dance, and Piano.

We are a faith-based ministry and are 100% reliant on donations from those who support our work.

Due to an increase in health insurance, we are approximately **\$500 short every month.** **Would you join our Ministry Team with a monthly donation? Monthly and One-Time donations keep us on the streets talking to the Lost about Jesus.**

You are reaching people for Christ through us. Thank you for your commitment to this ministry!

<http://donate.Luke-15.org> has instructions to join our Ministry Team. Please contact us (603-244-6292 or mark@Luke-15.org) with any questions.
