8. What can we learn from a pedophile?

Okay, now this is what you can learn from a pedophile. When a pedophile wants to molest a child, they go where the kids are: the malls, the city parks, around schools... they've even been known to get jobs where kids are. This is a very disturbing fact. But they are very committed to their perversion. Where does the hunter go to kill a deer? They go out to the forest. Where do the fornicator and adulterer find a prostitute? They go to where they hangout, the street corners. Where do the fishermen go? Where the fish are: the lakes, rivers, seas. Dedicated fishermen even take days off from work and spend all kinds of money on their hobby. They are very committed. What's your hobby? Where do you go to get what you want? Where do Christians go to find lost souls? We go where the people are: malls, concerts, parks, parades, et cetera. Do you know someone who owns a business? Do you see the big billboards in your city advertising their business and or products and services? We have to remember who we represent. We need to advertise of who saved us from hell. We are God's Ambassadors. "Now then we are ambassadors for Christ, as though God did beseech *you* by us: we pray *you* in Christ's stead, be ye reconciled to God." (2 Corinthians 5:20).
