We're sending this newsletter to highlight how God has been working through **Campus Ministry!** There are more details about the many other things God has been doing lately at <https://www.facebook.com/SohmerFamily/> or at <https://Luke-15.org/blog/>. Jesus is still seeking and saving the Lost, and that's very exciting!

This is **Paul**, an intelligent and skeptical young man who ran into us nearly every time we were on campus. And we'd reason with him from the Scriptures every time.

Paul came to faith in Christ and everything changed!

He got involved with a Christian Student group on Campus, and kept telling me what he was reading in his Bible and how Jesus was working in his life. Such a great encouragement!

Update from our **weekly outreach at the Abortion Clinic...**

We're making an impact because

they're doing everything they can do get rid of us.

Their latest attack was to post our Facebook page on a Social Justice Warrior Activist site and tell people to flood us with negative comments.

We've received HUNDREDS and HUNDREDS of foul and vulgar and nasty and threatening and even pornographic photos and messages from people from around the world.

As discouraging as it is, we're also encouraged, because, well, you don't try so hard to get rid of people who aren't impacting you.

Please pray that we'll continue to return kindness for evil, and God will use us to reach Moms, Dads, and the clinic workers for Jesus!

This This is **Shuyan**, an exchange student from Shanghai with **no religious background.**

April and Shuyan spoke for a long time, starting with Creation, and talked about Heaven, Hell, sin, and redemption through the cross and resurrection!

Shuyan said she wanted to know the One who created her. She wanted to **repent and believe** on the spot.

April got Shuyan's email address, and connected her with an International Campus Ministry on campus.

We are a faith-based ministry and are 100% reliant on donations from those who support our work.

Great news: we *barely missed* the threshold where our health insurance rates go up considerably for 2020. Our Insurance Agent says we won't miss it next year and we should expect a \$1,000/month increase for 2021. **We have one year to raise an additional \$1,000/month for health insurance.**

Would you join our Ministry Team with a monthly donation? Monthly and One-Time donations keep us on the streets talking to the Lost about Jesus.

You are reaching people for Christ through us.
Thank you for your commitment to this ministry!

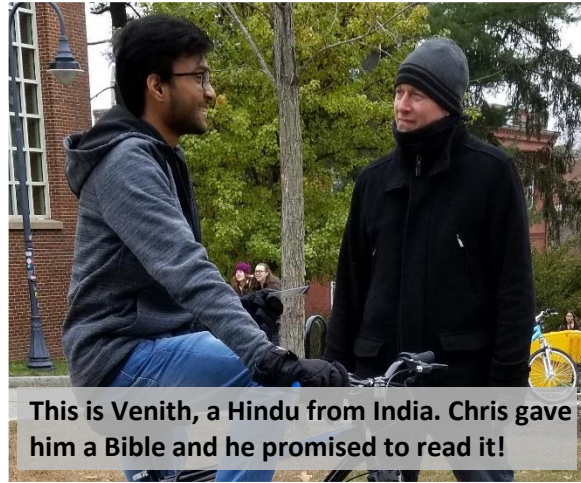

<https://donate.Luke-15.org> has instructions to join our Ministry Team. Please contact us (**603-244-6292** or **mark@Luke-15.org**) with any questions.

We thank God for you! With love in Christ,
Mark, Shelby, Vivienne, Juliana, Caleb & Gabriella

Ted reasoning with Nor, a Muslim student who believes that Jesus is only a prophet.

This is Venith, a Hindu from India. Chris gave him a Bible and he promised to read it!

Little Jarvis the Poodle was terrific. TONS of students came to meet the dog, and stayed to talk about Jesus!
